"I certify this league will comply with all organizational requirements such as boundary requirements, playing rules, player selection, etc. as outlined in the current edition of the Official Ranger Youth Baseball Rules and Regulations herein, (RYB). In addition, I understand the State Board of RYB strongly recommends all franchised leagues adopt/ implement a child abuse/molestation risk management program. Our league understands that guidelines for establishing a child abuse/molestation risk management program are available at no charge through the RYB State office, or the league may develop a similar comprehensive program. Due to the fact that RYB has no operational control over league security including the selection of local league volunteers, our league understands it is solely responsible for adopting and implementing a child abuse/molestation risk management program. Therefore, as a condition to maintaining its RYB franchise rights, our league hereby indemnifies and holds harmless Ranger Youth Baseball, and its officers, directors, state and district officials, and administrative employees, (collectively the "releasees"), for any legal action, including reasonable attorney's fees, based on child abuse/molestation allegations including any allegation of negligence on the part of any or all of the releasees, arising from any team, league, tournament, or other activities of our league."
